- 8.

Higher Education Goals

Anticipated School/College to attend:

List extracurricular courses/activities that you deem of merit that reflect your interest, attributes, and personal qualities (leadership, art, sports, journalism, etc.)

If funding is a consideration for your application, briefly explain anticipated funding resources, other scholarships you have applied for, school funds set aside by parents, application for financial aid, etc. Please indicate any funding shortfalls and amounts.

Community Service: List participation in community services and approximate dates of involvement.

On a separate sheet of paper, please write a brief essay about you, your educational goals and the role you would play in the future of our country, America.

This application must include no more than 3 pages!

Thank you for your application. You are a large part of our future. Good Luck!
